

**The Lord is my rock, my fortress, and my deliverer.**  
**2 Samuel 22:2**

---

Welcome back to all our students, parents, and faculty. Welcome to a school year in which we will focus on the incredible blessing of having a Savior who is our rock and fortress and deliverer. It is hard to imagine going through each day without this knowledge. We thank the Lord for bringing everyone safely through the summer and back to the halls of Peace Lutheran School for another year.

We are excited to welcome several new families: The McGinness family with their Kindergarten daughter, Larisa; The Moon family with their Kindergarten daughter, Brinkley; the Otto family with their 1<sup>st</sup> grade son, Cameron; and the Dampier family with their third grade daughter, Kyra. We are so happy to have you as a part of the Peace Lutheran family.

We are also excited to welcome Miss Stephanie Johnson to our staff. She is already up and running in the 3<sup>rd</sup> and 4<sup>th</sup> grade classroom. We pray that God bless her ministry at Peace and that God bless all of us throughout this new school year.

---

*Our newsletters typically take on the same format each month. We will start out with a day-by-day schedule of events, and finish up with articles that may elaborate on things in the calendar or cover other things going on at Peace this month. If you ever have any questions or concerns, please do not hesitate to call school. Thank you.*

---

September 3 -

- NO SCHOOL - Labor Day Vacation

September 4 -

- Cousin's Subs Day
- Soccer Practice - 3:00 - 4:15

September 5 -

- HOT LUNCH - Walker's Chicken
  - Leader: **Cindy Trapp**
  - Helpers: **Stoltz, Roehl**
  - Desserts: **Bargenquast, Bohling, Damerow**
    - *NOTE: With our hot lunch program, we ask each family to contribute desserts for these Wednesday and Friday meals. We will rotate throughout the school roster. Each family is asked to send in some cookies, bars, cupcakes, or any other kind of dessert you would like to send. We are asking each family to send in enough for about 17 people. The items can be placed in the library on hot lunch days. Feel free to call school with questions. Thank you.*

---

## **OTHER SEPTEMBER NEWS**

### **Attachments to this Newsletter –**

- **School Directory**
- **Box Tops for Education Product List**
- **Loaves for Learning Product List**
- **Medication Authorization Form**

### **Student Drop-Off/Pick-up**

Just a reminder – We ask that any family that is dropping off their children in the morning or picking them up in the afternoon please do so on the north end of the school. The students should enter the school through the new entryway by Mr. Stoltz's room. Please do **not** drop them off where the buses are coming and going – on the south end of the school by Mrs. Klusmeyer's room. Thank you very much.

### **Medication Authorization Forms –**

Included with this newsletter is a Medication Authorization Form. If at any time you will be sending medication with your child to school, it is required that you also send one of these completed forms. This is also true for Asthma inhalers. If you need to send medication multiple times during the year, please make copies of this form or you can print it off of the school website. Thank you.

### **What We Save –**

This list has grown much shorter over the past few years. We no longer save printer cartridges, Campbell soup labels, or some of the milk caps we have saved in the past. Here is the short list –

- **Kwik Trip Milk Moola** – These are found on their milk and juice products.
- **Box Tops for Education** – Found on tons of products such as General Mills cereals, etc. (Please see the attached product list.
- **Loaves for Learning** – Please see the attached list of products from Village Hearth and Country Hearth Bread products.
- **There is a collection area outside the 5<sup>th</sup> & 6<sup>th</sup> grade classroom for all of these items. Please call school if you have any questions. Thank you.**

### **First Semester Missions –**

In the second semester last year we collected mission offerings for Lehi, Utah, where our friends the Heiderichs are serving. This year our first semester mission project will focus on a mission that also has a familiar face involved in it. Our offerings will be collected for Friends of China where Linden Jahns, a former Peace student, is serving as a teacher.

The Friends of China website describes the purpose of their mission as follows:

The mission of Friends of China (FoC) is to build relationships through educational exchange in mainland China. In 2001 FoC sent its first four English teachers to Beijing. The organization grew rapidly and to date FoC has sent over 270 teachers to ten different cities in the mainland.

Teachers in China have opportunities to develop meaningful relationships built on trust and cultural awareness. Friends of China continues to recruit, train, send and support dozens of teachers every year to further this mission.

China has become a fast growing mission field despite the obstacles to sharing the Word of God. Please pray for those who share the Gospel and for those who hear it and support this project with your offerings as you are able.
