OTHER OCTOBER NEWS –

SOCCER – 2018

When a team loses 8 starters to graduation in the spring, the expectations for the soccer team in the fall may be pretty low. It is very hard to replace all the talent that went on to high school after last year, but this year's team did a great job of showing that the future of Peace soccer is bright. Seventeen fifth through eighth graders (most with little experience on the soccer field) put on the cleats and stepped into the 2018 season.

This year's team finished with a 3 – 5 – 2 record. While the losing record may seem like a sign of a bad season, it wasn't at all. The Blue Knights had only 2 eighth graders on their team and played against a number of schools with many more experienced players. They worked really hard, and they improved with every game they played. The 15 "underclassmen" got a ton of experience that will serve our program well in the future. They brought home a second place trophy from the WALL Cup and competed very well against bigger schools at the Trinity Invitational the next weekend. Way to go Blue Knights.

Members of this year's team included:

- 8th graders: **Delaney Bargaquast, Claire Trapp**
- 7th graders: **Noah Brehmer, Aubrey Hiemstra, Trenton Klawitter, Kaliska Klusmeyer, Erin Pulice, Andrew Stepleton, Allison Trapp**
- 6th graders: **Fischer Bargaquast, Rylee Klawitter, James Knapp, Ella Priebe, Jacob Roehl**
- 5th graders: **Nathan Jobs, TJ Klusmeyer, Emersen Sell**

Thank you to all of the fans who supported our team throughout this season. You battled wet weather, hot weather, and swarms of mosquitoes to cheer on the team and we really appreciate it.

WLA CROSS COUNTRY – 2018

Below you will see the list of Peace runners who participated in the WLA Cross Country Meet on September 26th. Everyone did a great job and we are proud of the kids that represented our school so well.

- 7th Grade – **Andrew Stepleton** (22nd - boys)
- 6th Grade – **Fischer Bargaquast** (10th – boys) **James Knapp** (6th – boys)

It was great to see our three runners in the team competition finish in the top 25 boy runners and to see two sixth graders finish in the top 10 running against predominantly 7th & 8th graders was fantastic. Next year we hope to see a few more runners from Peace in these grades so we can enter a team as you have to have 5 runners to form a team.

- 4th Grade – **Gracie Niemuth** (8th – girls), **Lilly Hiemstra**
- 3rd Grade – **Miranda Hiemstra, Joshua Knapp, Ella Stelter**
- 2nd Grade – **Marya Hiemstra**
- 1st Grade – **Jensyn Bargaquast** (4th – girls), **Hale Damerow, Sara Stelter, Evan Stoltz**
- Kindergarten – **Larisa Schwark**
