## OTHER PEACE NEWS:

### Another One Bites the Dust

*We have just been informed that another program will be discontinued in the very near future. The Milk Moola program through Kwik Trip will end after 15 years of charitable contributions to schools like Peace. We have a little time to collect yet. The deadline to send milk caps to school will be Friday, March 22<sup>nd</sup>. Please spread the word to anyone you know who collects these milk caps for us. Thank you!!!!*

### **Christmas Service DVDs**

*If you are interested in a DVD of this year's school Christmas service, simply send a note with \$2 to school with your child. Pastor Dietsche will make a copy and we will get it to you ASAP. Thank you.*

### **Shoe Drive**

*Peace has been invited to participate in a shoe drive sponsored by Grace Preschool in Ripon. Please watch your child's take-home folders for a flyer that further explains this worthwhile project. If you have any questions, please contact Mr. Stoltz. The drive runs through February.*

### **2<sup>nd</sup> Quarter Mission Project**

*Our second semester mission project is Costa Maya Ministries. This ministry is located about 4 hours south of Cancun in a small town called Mahahual. The ministry serves 30-35 families in Mahahual and other nearby communities. It is led by WELS' members who had a home in the area and saw the need to share God's Word with the people of that area. The mission began in 2008 and continues to use Christian men and women to share the saving message of God's Word. To read a more detailed history of the mission work, view lots of pictures of the ministry, or simply to learn more about Costa Maya Ministries go to [costamayaministries.org](http://costamayaministries.org).*
