## OTHER DECEMBER NEWS

### Butterbraid Sale

Thank you to everyone who helped with this year's Butterbraid sale. Once again we made a big profit – just over \$2000. This was considerably higher than last year. Peace Lutheran School is very grateful for all the efforts made to make this fundraiser a success. Great work everyone! THANK YOU!

### Snow Days, Delays, and Early Dismissals

With the “snow season” upon us, here are a few guidelines for Peace families when it comes to weather related cancellations. This can get a little complicated as Peace has families that live in five different school districts.

- **Cancellations** – If at least two of our school districts are closed, then Peace will also be closed. Those districts are Green Lake, Ripon, Markesan, and Princeton. If only one district closes and the other three are in session, Peace will have school that day. For those families living in the closed school district, it will be up to you to decide if you feel it is safe enough to bring your child to school. If the answer is “no”, we certainly understand.
- **Early Release** – We will do our best to have students call parents ahead of time to let them know they are coming home early or need to be picked up early.
- **Morning Delays** – These are tough as it often happens that all the districts do not do the same thing. The basic rule to follow is: Do what your district does. Again if only one district is delaying, we will most likely start school at the regular time. The families from the delaying district can either bring their children to school at the regular time or send them on the bus at the delayed time.
- **Families Transporting Their Children** – Please check carefully to see if school is cancelled or delayed. If there is a delay, teachers will most likely NOT be at school at the regular time. **Follow the delay times.** **Please do not drop your child off at school without first making sure it is OK to leave them there.**

- **Radio & TV Announcements** – You will NOT see or hear Peace Lutheran School specifically mentioned on the TV or the radio. Listen for the four districts mentioned above, as we will be following what they do.
- **FINALLY**, if you are confused, give Mr. Stoltz a call at home if it is early in the morning or a possible cancellation day. If it is a delay day, you can try him at home or school. If it is an early release day, call school if there is confusion.
- **THANK YOU!**
