## **OTHER OCTOBER NEWS**

### **Parent-Teacher Conferences**

Peace faculty will be discussing this and hope to come up with a plan soon. We would like to have the conferences during the month of October, we just need to set them up so they fall within our operation plan. Please watch your child's book bag for a note about these meetings. Thank you.

### **Fall Fundraiser**

Our annual fall fundraiser - Butterbraids - will start this month as you can see from the schedule above. The materials will come home with your kids as the start date draws closer. This year, we are hoping to raise money for some "cosmetic improvements" around the school. These will include painting jobs inside and out, as well as possible landscaping around the school. These are areas that have been neglected in recent years.

We do want to thank everyone for their support during the past school year. Our fundraisers raised enough money for us to be able to order brand new Chromebooks to replace some of the old and falling apart Chromebooks the kids are using. Now we are just waiting for them to arrive --- they are on about a four or five month backorder.

### **Tuition and Registration Fees Payments**

This is just a reminder to those families that are making payments that the first month of school is now past and the first quarter will end in a couple of weeks. Many of you chose the monthly or quarterly payment methods. This is just a reminder to be sure those payments are made soon. Many of you have already taken care of it. Thank you very much.
