OTHER DECEMBER NEWS

THANK YOU

- Thank you to **everyone who participated in the Butterbraid fundraiser**. Once again it was a huge success with over \$2300 in profit made by about 20 sellers. Thank you also for the prompt pick up. Everything went very smoothly.
- Thank you to all out **hot lunch volunteers and dessert makers**. Your hard work and the wonderful meals continue to be greatly appreciated.
- Thank you to everyone **who helped in any way with the Thanksgiving Pie Social**. We had more goodies that we knew what to do with and everyone seemed to enjoy the fellowship opportunity.

SNOW – We Know It Is Coming . . .

The snow season is fast approaching. With that comes delays and cancellations. These days can be very challenging for our school as we have students from five school districts. It seems that rarely do all the districts do the same thing. Please read the guidelines on the next page and contact school if you have any questions in regard to our policies. Thank you.

Snow Days, Delays, and Early Dismissals

- **Cancellations** – If at least two of our school districts are closed, then Peace will also be closed. Those districts are Green Lake, Ripon, Markesan, and Princeton. If only one district closes and the other three are in session, Peace will have school that day. For those families living in the closed school district, it will be up to you to decide if you feel it is safe enough to bring your child to school. If the answer is “no”, we certainly understand.
- **Early Release** – We will do our best to have students call parents ahead of time to let them know they are coming home early or need to be picked up early.
- **Morning Delays** – These are tough as it often happens that all the districts do not do the same thing. The basic rule to follow is: Do what your district does. Again, if only one district is delaying, we will most likely start school at the regular time. The families from the delaying district can either bring their children to school at the regular time or send them on the bus at the delayed time.
- **Families Transporting Their Children** – Please check carefully to see if school is cancelled or delayed. If there is a delay, teachers will most likely NOT be at school at the regular time. **Follow the delay times.** **Please do not drop your child off at school without first making sure it is OK to leave them there.**
- **Radio & TV Announcements** – You will NOT see or hear Peace Lutheran School specifically mentioned on the TV or the radio. Listen for the four districts mentioned above, as we will be following what they do.
- **Peace Lutheran School Facebook** - We will post closings and delays on our Peace Parents’ Page as soon as we can. Please know that several of the districts do not contact us to let us know if they are closing. We are watching the TV and/or internet just like you.
- **FINALLY**, if you are confused, **give Mr. Stoltz a call** at home if it is early in the morning or a possible cancellation day. If it is a delay day, you can try him at home or school. If it is an early release day, call school if there is confusion. You can also text him at any time. His home number is a cell phone that he has with him at all times.
- **THANK YOU!**
